MAS 8 Preparation

The screenshot displays the IBM Work Order Tracking application interface. The top navigation bar includes the text "IBM Application Name" and several utility icons. The main header area shows "Work Order Tracking / Work Order" with a search icon and navigation controls. Below this is a tabbed interface with "Work order" selected, and other tabs for "Plans", "Assignments", "Related records", "Actuals", "Failure reporting", and "Log".

The central area is divided into several sections:

- Work order:** A list of work orders with columns for ID (1019), Description (Elevator Repair), and Site (Bedford).
- Location:** A dropdown menu showing "Medford" with a "Medford Details" link.
- Asset:** A dropdown menu showing "11200" with an "Asset Details" link.
- Configuration item:** A dropdown menu showing "11200" with a "Configuration Item Details" link.
- Parent work order:** A dropdown menu showing "Placeholder text" with a link.
- Classification:** A dropdown menu showing "Placeholder text" with a link.
- Class description:** A dropdown menu showing "Placeholder text" with a link.
- Site:** A dropdown menu showing "Bedford".
- Class:** A dropdown menu showing "WorkOrder".
- Work type:** A dropdown menu showing "PM" with a search icon.
- GL account:** A dropdown menu showing "Placeholder text" with a search icon.
- Failure class:** A dropdown menu showing "User input text".
- Problem code:** A dropdown menu showing "PM" with a search icon.
- Storeroom material status:** A dropdown menu showing "PM" with a link.
- Attachments:** A link icon.
- Status:** A dropdown menu showing "WAPPR".
- Status date:** A text field showing "11/29/20 7:38 AM".
- Inherit status changes:** A toggle switch set to "Yes".
- Accepts changes:** A toggle switch set to "Yes".
- Is a task:** A toggle switch set to "No".
- Under flow control:** A toggle switch set to "No".

At the bottom, there are three expandable sections: "Job details", "Asset details", and "Priority".

On the left side, there is a sidebar with a "Choose a query" dropdown and a list of "Actions" including: "New work order", "Change status", "Select owner", "Take ownership", "Create KPI", "Approve", "Initiate", "Complete", "Close", and "Create report".
