

# MAVEN

## REPORTING

We provide report development solutions for BIRT, Cognos, Crystal Reports and many other major reporting solutions.

## EAM IMPLEMENTATION

Our implementation services are designed to ensure that Maximo supports your needs, that it is up and running as quickly as possible, and that your organization realizes its many promised benefits.

## MOBILITY

Our mobility experts are skilled in a variety of mobile technologies, frameworks, and best practices, and can help ensure a successful transition to mobile EAM.

## PROCESS REALIGNMENT

Our diverse expertise with hundreds of clients has helped us to identify common elements that optimize asset management and improve reliability. Allow us to share this knowledge with you so that we can jointly apply it to your unique circumstances.

## MANAGED SERVICES

We provide both on-premise and cloud-based managed solutions for Maximo, allowing you to focus on your core business.

## MAXIMO UPGRADES

We provide complete Maximo upgrade services to get to your desired version of Maximo using a proven upgrade methodology.

## CLOUD-BASED MAXIMO

We partner with IBM and ISO 27001-certified data centers to deliver SaaS that is safe, secure, and always on.

## DATA MANAGEMENT

We are experts in collecting, cleansing, restructuring, and migrating data from legacy systems to Maximo.

## TRAINING

We provide complete Maximo training solutions customized to meet the needs of your organization.

## SYSTEM INTEGRATION

We offer complete integration services to connect Maximo to your ERP, financial system, document management system, inspection software, IoT gateways and HR applications using the Maximo APIs.
